POTENTATE'S MESSAGE

As Potentate of Khartum Temple, it is an honor and privilege for me to extend a warm and sincere welcome to you, one and all, on the occasion of our 32nd Annual Shrine Circus.

Each year we make a special effort to improve our Circus and select acts that we feel are outstanding and will provide fun and entertainment for all.

To our Circus Chairmen, the Committee Chairmen, the Officers, our Units and Nobles, who worked diligently and cheerfully to make this show possible, I extend my most grateful thanks.

To the "Circus Daddies" who bring pleasure to those less fortunate than ourselves, a special "thank you". To the press, television and radio, for their wholehearted support and co-operation, and to our Advertisers who help make this program possible, my deep appreciation and a sincere "thank you".

To the citizens of Winnipeg and Manitoba, for your continued loyal support, the grateful thanks of myself and every Noble of Khartum Temple.

DAVID W. DYSON, Illustrious Potentate.

SHRINERS HOSPITALS FOR CRIPPLED CHILDREN

Winnipeg Unit, 633 Wellington Crescent

The Winnipeg Unit, Shriners Hospitals for Crippled Children, is one of the bright show places in Metropolitan Greater Winnipeg, particularly in the summer. The Hospital is open to the general public every Sunday afternoon from 2 to 3:30 o'clock and this is an open invitation for the citizens of Winnipeg, and visitors, to visit this Hospital and see the work being done for Crippled Children, without regard to Color, Race or Religion. Patients are admitted only from homes whose parents are unable to pay the required medical costs. Shrine Hospitals, therefore, have no financial patient income, but the great reward is being able to restore Smiles to little faces and Hope for the future in little hearts.

Here is a short history of the Winnipeg unit:

1925—Mobile Unit, Shriners Hospitals for Crippled Children opened in Winnipeg and this later became a wing of the old Children's Hospital, Redwood Ave.

1945—Authority received from Board of Trustees for the construction of the Winnipeg Unit, Shriners Hospitals for Crippled Children in Winnipeg. Property obtained at 633 Wellington Crescent.

1946—First sod turned by Imperial Potentate George H. Rowe.

1947—Cornerstone of new 40-bed Hospital laid at special ceremony by Arthur W. Chapman, Chairman of the local Board of Governors.

1949—On June 9th all children moved from the old hospital to their new home on Wellington Crescent.

1950—On March 29th, Imperial Potentate Harold Lloyd, visited Winnipeg to officially dedicate the

new hospital, "To the Glory of God and to the Healing of this and future generations of Crippled Children".

1950—At the June annual meeting of the Imperial Council in Los Angeles, Potentate Fred Parrish, of Khartum Temple, assisted by the Potentates of the three Western Canadian Temples, handed the deed for the new Hospital over to the Chairman of the Board of Trustees, Galoway Calhoun, who said it was the only occasion in all Shrine history that a Hospital had been turned over to the Trustees all paid for and free of debt.

1962—Authority received from Board of Trustees to increase the capacity of the Winnipeg Unit from 40 to 50 beds, to take care of the increasing waiting list.

1962—Hospital remodelled. Many needed features added and today the Winnipeg Unit is one of the brightest Jewels in the crown of Shrinedom.

We're flattered that our competitors want their organs to look like ours, but they haven't been able to copy the **GULBRANSEN SOUND!** You'll have to excuse them. They're trying.

This superb Gulbransen Transistor Organ, is a miracle of modern science, embodying the most modern developments in organ engineering. "Here's why we stock **FENCO** clutches"

"We are situated in the heart of a successful farming community and our customers demand that we carry service parts for both their trucking and farm equipment.

"Because FENCO has a broad coverage warehouse facility in Moncton, we are able to supply even the 'odd ball' numbers when they are needed. This service makes FENCO one of our top suppliers.

"FENCO also has an excellent reputation here on the Island for quality products."
